REPORT ON THE CLASS ASSEMBLY OF IX – C DURING THE ACADEMIC YEAR 2024 -25

Class Teacher: Ms. Vishnupriya .D   **Date: 03.08.2024 (Saturday)**

**Timing: 8.30 a.m. to 9.00 a.m.**   **Class Strength: 39**

**Topic: "How School Encourages Creativity and Innovation Skills among Students"**

The assembly started by giving Invocation to the Almighty. Priyanka Rajan welcomed the gathering. The assembly began with the first item called **Campus Chronicles** in which students showcased how a student's life is mainly crafted by the school. Additionally it depicted some of the events such as the 'Intramural Competitions' that take place in the school and on how students come up with ideas and creative solutions for various daily life problems.

The second programme was **Choreographic Climax,** which showed the involvement and the sense of creativity that the students put in their work, so as to choreograph a unique dance, this was followed by the next event which was **Innovative Insights: Science Model Exhibition.** In the world of science and technology, a group of innovative students, Kishore Manikandan, Srivatsan. S and Tarun K.R. came up with their model for **"Air Quality Monitor"**. Aashika of XII B shared her insights on the topic in regard of her school experiences.
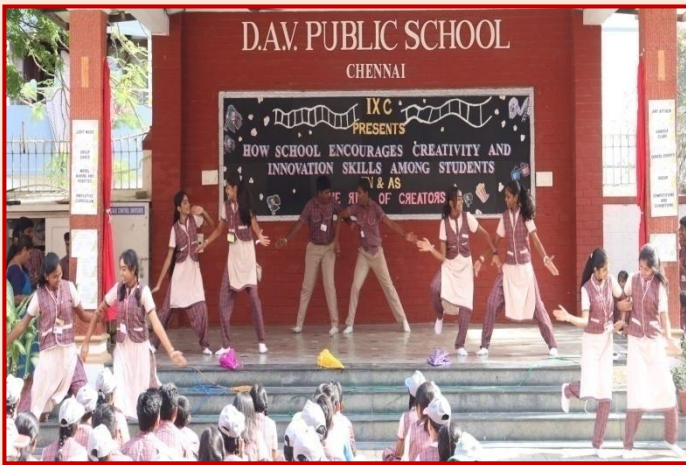

Lastly the programme concluded on the **Thematic Highlights**. With the adversities of time constraints, it is not possible to individually depict or present each of the several activities held in school that enables students to improvise their creativity. In view of the same and in attempt to cover the maximum on the topic, brief highlights were given on the goings-on and initiatives of the school. In the end Lakshita .M delivered words of gratitude through 'Vote of Thanks'. As is customary the programme concluded by singing National Anthem followed by chanting of the 'Shanti Paat'.
