The assembly commenced at 8:30 a.m. with the sacred “Gayathri Mantra” followed by the DAV Gaan. The Masters of the Ceremony were Vishwa, Bhavatharini and Tanvee. A cheerful and warm Welcome to the audience was delivered by Sanskriti. S.

The program began with an act where a character described how their school, D.A.V., instilled the value of compassion in them. This was depicted through a flashback featuring events such as Mimevox and Wordplay Extravaganza.

The contribution made by our school towards White Cane Day, Road Safety Day, International Yoga Day and Compassion towards Nature and all people were portrayed in Mimevox.

Wordplay Extravaganza was a quiz program in which Sahasra and Neeraja gave clues about flood donation and SEWA Projects and asked the students to find the answers. Later, they told how the value of compassion was instilled through SEWA Projects and Flood Donation.

The Supervisory In-Charge gave positive feedback about the class assembly and appreciated the students for their creativity. She also appreciated the class for the time management.

After getting the feedback from ma'am, “Star of Compassion” card was given to the Supervisory In-Charge. This was followed by the credits and formal Vote of Thanks, to everyone who witnessed the assembly patiently. The Assembly of Class XI – B had a great signing off with fun filled dance moves.
