C.B.S.E OBSERVANCE OF INTERNATIONAL YEAR OF MILLETS (IYOM) – 2023

REPORT FOR THE ACTIVITY DONE DURING THE MONTH OF OCTOBER– 2023

STD: I & II

Name of the Activity: Fancy dress

In commemoration of International Year of Millets, our School organised a fancy dress event where the students of classes I and II were encouraged to dress up as any millet of their choice. Students demonstrated their commitment to promoting awareness about millets in a visually appealing manner. The students expressed confidence and creativity in their theme based millet costumes, making the event not only entertaining but also educational. The event succeeded in fostering a sense of appreciation among the audience for these nutritious grains, leaving a lasting impact on both participants and spectators.

A Millet Extravaganza

Dressed in Millets :
Sprouting seeds of creativity

CLASS: III & IV

NAME OF THE ACTIVITY: DRAWING & PAINTING OF A FULLY GROWN MILLET FIELD

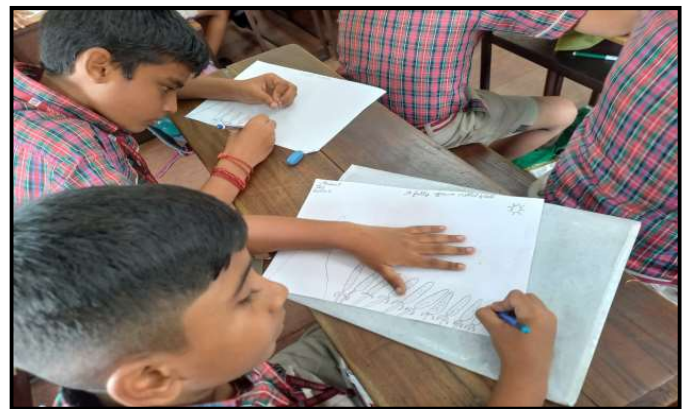

A delightful Drawing & Painting activity was organized for Class III and IV students on account of 'The International Year of Millets'.

The students exhibited their creativity and showed their appreciation for agriculture. They created colourful depictions of golden millet crops swaying in the breeze under a sunny sky. The activity aimed to connect children with the essence of rural life and sustainability. The art work included vibrant colours, intricate detailing, and a myriad of artistic expressions.

This hands-on experience provided a unique opportunity for students to learn about the importance of millet cultivation and its role in ensuring food security. It helped foster an understanding of the significance of traditional crops in our diverse agriculture. Overall, it was an enriching and educational experience that allowed young artists to explore the beauty of the millet fields through their artistic lenses.

Students adding vibrant colours to their art work

STD. V to VIII

Std. V

- Millets are a group of small-seeded grains that have been cultivated for thousands of years and are a staple food in many parts of the world.
- Some well known varieties of millets are pearl millet, finger millet and foxtail millet. Millets are gluten free, rich in fibre and provide essential nutrients.
- The International Year of Millets 2023 led the students of Std. V to put their best foot forward to become the “Ambassadors” of Millets and create awareness among students and staff.
- Students of Std. V prepared Badges showcasing the importance of millets and also prepared Posters depicting the importance of the “Magic of millets.”

“Revive your health with the goodness of millets” – Let us make a healthy choice messages by Ambassadors of Std. V

Poster making – “Discover the Power of Millets” by students Std. V

Std. VI, VII, VIII

Name of the Activity: **Quiz on Millets**

- ❖ Quiz competitions are always interesting and informative, which provide excitement and enthusiasm among the Students.

Objectives:

- To create awareness about the goodness of millets.
- To familiarise students on the nutritive value of millets.
- To develop interest in quizzing as a tool of learning

Details of the Activity:

- As part of CBSE’s initiative to spread awareness among students regarding the goodness of millets, students of Std. VI, VII and VIII participated in a quiz on the given topic.
- Students of Std. VIII learn about Agriculture and different types of crops in Social Science, which includes millets.
- As a diagnostic assessment and also as an activity under International Year of Millets, a quiz was conducted.
- The class was divided into four groups for the purpose.
- The quiz consisted of three rounds.
 - Round 1 consisted of questions on general facts about millets.
 - Round 2 consisted of questions on geographical conditions required and locations of cultivating millets in India.
 - Round 3 was a Rapid Fire round consisting of True or False questions.

- Since the students have been involved in a variety of activities involving millets over the last four months, they were highly motivated to participate in the quiz.
- Most of the questions were correctly answered by the team members.
- The activity was also a stress free and enjoyable way of learning for the students.
