The Virtual Class Assembly of Class VI B took place on 25th October 2021.

The Assembly began with Gayatri Mantra which filled the entire ambience with positivity.

Music is one such thing that resides in every bit of nature. The assembly highlighted the same.

It started with inspiring words from our Alumni M. Surya of how DAV recognised their talent as an artist. It was supported by a PPT presentation. This was followed by a unique and interesting game of musical apps displaying the importance of it. The Students depicted the importance of music in one's life in the form of speech in the next item. Children sang a Hindi song melodiously.

The assembly continued with a combined soothing and melodious keyboard and violin performance. Our Indian culture is popular world-wide and is worthy of all the fame and love.

Mrs. Subbalakshmi and Pandit Ravishankarji are two legends from musical industry whose greatness cannot be explained in words but our 6th standard students displayed impressive PPTs about the same.

Finally, our beloved Principal Madam gave an impressive feedback of the assembly.

Shanti Paat being the best way to conclude marked the end of the assembly.
