**Date: 07.12.2024 (Saturday)**

**Timing: 10.30 a.m. to 11.15 a.m.**

**Class Strength: 37**

**Topic: “Flowers – Sunflower”**

The Class Assembly of L.K.G - B was held on 7 December 2024, at Vatika premises between 10.30 a.m. and 11.15 a.m. based on the theme ‘Sunflower’.

Compering for the Class Assembly was done by Hanvika and Aadhyasri. Dhayaazhini welcomed the gathering with full spirit and energy followed by school prayer and National Pledge.

The National Pledge was very confidently taken up by Godavari Koshika which was then repeated by other students in an energetic manner.

The Assembly commenced with 4 students sharing a positive thought to set a cheerful and inspiring tone for the session. The quote emphasized the importance of sunshine and positivity, weaving it beautifully to the theme of sunflowers.

The talk by 5 students highlighted the vibrant appearance of sunflowers, their connection to the sun, and their importance as a source of seeds and oil.

The growth process of sunflowers in simple terms, starting from planting the seeds, the need for sunlight, water, and care to the blooming of these magnificent and bright flowers was rightly explained by 5 students.

The fascinating facts about sunflowers, their size, and their use in agriculture and art were explained and brought to notice for the audience by 6 students.

A group song on the theme, ‘Sunflower’ by 12 students made the stage set ablaze.

A mesmerising group dance performed by all the students set to a peppy tune related to Sunflower and sunshine, created a joyful atmosphere and was a thorough entertainment for the audience.

The program concluded with Vote of Thanks by Reyaa and School motto by Devanathan. The assembly highlighted the creativity, confidence, and teamwork of the LKG students while providing an enjoyable and learning experience for everyone present. The theme of sunflowers was effectively woven into each segment, making the program cohesive and impactful.
