Guidelines for Online Periodic Test-2

Dear Parents/Students,

As you know the Online PT-2 exam is going to be commenced from 27th July, 2020. You are requested to go through the following guidelines to avoid any interoperability/technical issue.

1. Sitting in the Periodic Test is mandatory for all; the marks secured in the PT contribute to the overall weightage at the time of Annual Exam.
2. As the tests are to be taken by the students at their homes, it is obligatory on the part of the parents to see that the students must maintain all sanctity while taking the tests.
3. Exam timing: 07:30 am – 09:30 am; The links for Online Test will be made available at 07:30 am, every morning.
4. Use a valid and working email id to login, fill the registration form very carefully.
5. During examination, do not resize/minimize the browser; you may get logged out of the test.
6. Never click 'Back' on the browser; this may take you out of the test.
7. If someone somehow tried to attempt the test twice, his/her first attempt will be considered as final.
8. This form(Google) collects the information like #Login details, #Response time, #date, #device, #location and many other details, which can be produced at the time of conflicts (if any).
