

VEDA VYASA DAV PUBLIC SCHOOL, VIKAS PURI

Circular for Van Users

VVDAV/VP/22-23/04

04/08/2022

Dear Parent

It gives me a sense of gratification and fulfillment that our new session has started with enthusiasm after two years of Covid trauma. I would like to welcome all back.

This circular is to reinforce the concern about safe transportation of our children to and from school.

In our constant endeavor to ensure safety of our school students, we have always requested parents to use only safe and legal means of transportation. We request you to use school buses wherever possible, as they are safer and secure in comparison to the Private Vans/Cabs/Rickshaws and other means of transportation.

Car-pooling is the need of the hour. I would request you to please promote this practice to avoid chaos outside the school at the time of dispersal. Also, when each parent is coming individually by personal vehicle to pick/drop students, it becomes a traffic control situation.

You must have seen that at the time of dispersal, the school staff and guards are all on duty to ensure smooth transition and easy flow of traffic but without your cooperation, our efforts will not be able to bear results.

School authorities request you to comply on the guidelines laid by the enforcing authorities and check that the users using private mode of transportation strictly comply by the following mentioned norms and guidelines.

For the safety of your ward, it is reiterated here that:

- Please park your vehicle properly when you visit school.
- Please cooperate with the guard/staff on duty.
- Please ensure your ward does not travel in illegal commercial vehicles.
- Please drop your ward to school between 7:30 am to 7:50 am (**for classes 3 to 12**)
- Students will not be allowed to enter the school gate after 7:50 am. Promote punctuality.
- Please arrange for your ward to be picked up at 1:50 pm.
- Use car pools wherever possible. This will reduce no. of vehicles coming to school.
- Please do not allow driving by underage children.

For Parents using hired vans for transport, please ensure the following:

- Proper Police Verification of Van Drivers must be done. (Ask for a copy of RC)
- The documents of the vehicle and the driver should be cross checked from time to time. (Ask for a copy of RC, Driving license, Aadhar Card, Police Verification Certificate)
- Drivers should follow the safety norms and interact with the school authorities and parents in a respectful manner.
- As a parent, you are requested to volunteer to travel in the vans/auto rickshaws on a rotation basis for the safe transportation of your children.
- Ensure the van/cab is registered with Transport Department under the School Cab Scheme of the Private Motor Registration Act.
- The dropping time for children using private cabs is not earlier than 15 minutes before school starts.

We seek your cooperation in this as these guidelines are meant for your child's safety.

Please furnish a declaration cum undertaking (as per specimen attached) to the Class Teacher within 5 days of receipt of the circular. (for van users only)
