Dated: 01.03.2021

Dear Partners in Education,

The academic session 2020-21 is approaching its end. The session turned out to be a year of achievements and accomplishments despite adversities and multiple challenges. This was all possible only with your wholehearted support and cooperation, and the undaunting spirit of the staff. We look forward to the same association in the next academic session too. Aiming at holistic development, the students were engaged in all the aspects of learning. Along with the scholastic subjects for cognitive development of the students, co scholastic sessions like Yoga, Aerobics, Motor skill coordination activities, Music and dance and Art were taken up for the physical, mental, emotional and aesthetic development of children. Goodwill havan, Counseling session, and orientation sessions were conducted through online medium for the spiritual and mental well-being of students as well as their parents.
