Dear Parent,

Please involve your ward in making models and cut outs of the given 'FOOD ITEMS'. Use your creativity and imagination to make it beautiful, colour ful and realistic. The size of any model should not be more than a shoe box size.

1) YUMMY FOR TUMMY (MAKING TABLE MAT)

Take A3 size pastel sheet (any colour). Make a border on all 4 sides of it. Paste pictures/cutouts of fruits and vegetables on one side and paste pictures of different healthy food items on the other side of the pastel sheet. Label your mat and get it laminated.

This mat will be used by children for reading purpose.

How to make :

- Keep cheese slice on one bread slice.
- Put cucumber and tomato pieces on cheese slice.
