

“What makes a child gifted and talented may not always be good grades in school, but a different way of looking at the world and learning.”

Keeping this in mind the orientation programme for parents of class-I of Veda Vyasa DAV Public School was held on 1.7.2020. The actual aim of orientation is to familiarise the parents with the curriculum, teaching methodology and co-scholastic activities but this time apart from the curriculum, teaching methodologies, etc the main goal of this programme was also to enlighten the parents about the online classes that is going to be held. This year the orientation was also on the virtual platform which in turn will boost up the confidence of all the teachers as well as parents to work upon it.

It's said that “a sunrise is a god's way of saying let's start again”. So, the commencement of the orientation was also with the positive vibes of gayatri mantra by Ms. Vandana Sharma coordinator of class-I along with the brief details about the online classes.

“Intelligence plus character-that is the goal of true education.”

Taking this as the motto of our school the honourable principal mam Ms. Shalini Arora addressed all the parents with a warm welcome. She encouraged the parents and the kids with the achievements of various other students of VV DAV Public School be it academics, sports or co-curricular activities and highlighted various national and international awardees. She inclined their thoughts and actions to do the activities that will help their kids as well as the school to reach new heights.

The impeccable incharge of the nursery wing Ms. Anju Singh briefed the parents about the new virtual platform on which the classes are going to be conducted and appreciated the innumerable efforts of the class teachers put in for the online classes. She assuaged all the parents having doubts about the classes on new virtual platform by taking up their doubts and clearing them up then and there only.

Ms. Shruti also explained about the new application of 2xcell and how DAV's have been blessed to have this application in a minimum cost. Last but not the least our parents, they appreciated the teacher's efforts and the support that they have got from the school and its authorities.

The orientation programme ended on a good note with an aim of growing our children happy, skilful and well-adjusted citizens along with shanti path.
