Dear Parents

GREETINGS FOR THE NEW YEAR!

We at VVDAV aim to provide a safe and joyous learning experience for children. School rules should be adhered to for the safety and security of students. It has been observed that private vans etc. engaged by parents for ferrying children to school and home are not in compliance with all the mandatory guidelines. The school recommends that students should use school transport to commute. School transport is the safest and preferred mode. In case the non-bus users wish to avail the school transport for the session 2019-2020, they must submit the application at the school reception between 8.30 a.m. and 10.30 a.m. before 1 February, 2019. Your ward will be accommodated on existing routes in the next academic session. It will be the responsibility of parents if your child commutes by any means of transport which does not adhere to government prescribed norms.

If your child uses Van etc. Kindly make sure :

- Proper Police verification of van drivers has been done. They should have proper permit to run the van.
- Cross check from time to time the validity of the documents of the vehicle and driver.
- The drivers obey traffic rules while carrying your ward and interact with the school authorities in a respectful manner.
- First aid kit is available in the Van.
- One parent accompanies the students in van on rotation basis.
- Your ward is dropped and picked up at the schedule time (i.e. morning between 7.25 to 7.35 a.m.) afternoon (between 1.10 p.m. and 1.20 p.m. for classes Pre-school to III and between 1.40 p.m. to 1.50 p.m. for classes IV to XII).
