

every picture tells a story

Title : Rain thy name is GOD

"September has come and still no rain!" said Rajiv's mother in painful and worried voice. Rajiv and his mother lived in a village of Rampur in a small rented room with no means of earning. His father passed away when he was just 3 years old and left a small piece of land for them. His mother did everything to satisfy the basic needs of his son. But this year due to no rain, there was no production and their basic earning was stopped. They even slept emptied stomach and were warned by the landlord to even leave the room. "you have not paid your rent since May. This is your last warning pay the rent or I'll take away the land which you have." said landlord to his mother.

Rajiv and his mother were sleeping in their small room when suddenly they heard the thundering sound of clouds. Rajiv and his mother woke up and due to their utter surprise they saw it was raining outside. Their dream of seeing rain was fulfilled. And it continuously rained for a week. The dried fields got life. The production of crops rose much more than they expected. They sold the produce in the markets and paid off their pending rent. From that day onwards their life went smoothly and they lived happily.

Words Inspire

Take up one idea. Make that one idea your life-think of it, dream of it, live on that idea. Let the brain, muscles, nerves, every part of your body, be full of that idea, and just leave every other idea alone. This is the way to success, that is the way great spiritual giants are produced.

- Swami Vivekananda

Friends

Friends Friends are very cool,
They meet us every day at school.
They meet us at our house,
And play games like cat & mouse.

They are very helpful,
And always very cheerful.
Sometimes they cheat us,
And about small things,
They make a big fuss.

They take our work to copy,
And often we share the same hobby.
We do our work at the same time,
And together have an orange & a lime.

They blame each other,
And complain to their mother.
They push us at muddy places,
And tie up our shoe laces.

This is the relation of the good friends,
It is full of fun that never ends !
