Positive Thinking Combined With Positive Action Results In Success

Today's children, the Digital Natives need a Dynamic Learning Environment which will best equip them for success in the world of the future.

We at DAV Model School, Asansol are dedicated to create a positive environment for our pupils that is not only supportive and inclusive but also empowers them to strive for excellence in all spheres. An amalgam of meticulously planned scholastic and co-scholastic activities provide an opportunity to identify and develop the innate talent and interests of our pupils. Our students are encouraged to explore their full potential, acquire skills and qualities which help achieve their personal best in all aspects of school life.

Our team of dedicated teachers and staff members, having a repertoire of skills, play a critical role in guiding the curious minds, identifying their individual strengths and channelizing their energy in the right direction. It is our sincere endeavor to inspire our children to learn the valued concepts of communication, problem solving, creativity and team spirit. We also recognize our responsibility to teach our students the value of respect, care and compassion and help them to grow as responsible and sensitive individuals.

Above all, we are guided by the ethical and moral value system of the Vedic culture which emphasizes the refinement of heart and discipline of the spirit. The principles of Vedic education is our guiding light as we march ahead towards achieving academic and human excellence.

THE SCHOOL (ABODE OF LEARNING)

DAV Model School, KSTP, Asansol is a CBSE Affiliated, Co-Educational English Medium School under the aegis of DAV College Managing Committee, New Delhi which had its inception on 4th of August, 2017. The School Campus is set in two acres of land in Kanyapur Satellite Township having a four storied building and a new building which is under construction. The school treasures more than 1600 brimming students. The instructional materials and text books of all classes till STD VIII are designed by DAV Centre of Academic Excellence, New Delhi and from STD IX onwards NCERT Text Books are followed.

The School has Smart Classrooms, well equipped Computer laboratory, Science laboratory, an enriched Library to satiate the thirst of inquisitive minds and a vast playground to facilitate children to play outdoors. The school campus is aided by CCTV surveillance, Public Address system and Fire Fighting System to look into the safety and security of students. The school is supported by 57 faculty members paving its way to stand tall to meet the challenges of the ever changing global society. It has successfully completed four years and has added some feathers of achievement to its crown. The school emphasizes

on setting goals which are realistic and achievable for the students through holistic educational system. In our pursuit of excellence in education, we are blessed to be supported by the active involvement and co-operation of all our stakeholders. It extends its hand to the society to transform children into complete human beings, enriched in thoughts, warm at heart and awakened in spirit.

HAVAN & MORNING PRAYER

The School's prime work is to enlighten up students' ethical and moral values and inculcate self belief and confidence which is done by performing Havan on working Saturdays by the students and the teachers. Havan purifies the soul, re-energizes both mind and body and gives us peace. The school sets its morning clock with the incantation of vedic shlokas, moral thought for the day, news updates, scientific awareness etc. which gives students an opportunity to enhance his / her confidence, leadership quality, team work, morality and emphatic public speaking.

HOUSING SYSTEM

There are four houses : Aurobindo, Dayanand, Hansraj and Shradhanand. To inculcate the spirit of healthy inter house competitions each student is allotted a particular house. Inter House activities and competitions are held during the CCA periods round the year to foster leadership qualities and team spirit as well as to provide a platform to bring out the best from the student.

A journey of a thousand miles begins with a single step.

SPORTS

The students of the school are provided a platform to groom their sporting talent by DAV National Sports, recognized by SGFI and CBSEE zonal sports which instil qualities like leadership, discipline, honesty and team spirit.

COMPOSITE LABORATORY

Laboratories are the most important infrastructure of an educational institution. DAV Model School, KSTP, Asansol has a well-equipped Composite Science Laboratory to cater to the practical knowledge of students. It provides an open environment for students to experiment and do research work under the professional guidance and assistance of our competent science teachers.

LIBRARY

The School Library has a good collection of books of various disciplines and genres and informative materials, which are beneficial and enriching for both students and teachers of the school.

INTER HOUSE COMPETITIONS

Inter House competitions are organized periodically in Dance, Arts, Elocution, Recitation, Music and other extra-curricular activities which inculcate the spirit of healthy competition among students and give them the opportunity to enhance and exhibit their skills in their fields of interest.

CELEBRATIONS & SOCIAL CAUSE

We aim at inculcating social responsibility in our students by involving them in various activities which sensitize them towards areas like environmental issue and social cause. A number of events are celebrated and observed throughout the year with full vigour and enthusiasm clearly depicting the significance of the events. Celebrations bring students closer to traditional and cultural belief.

INSERVICE TRAINING

Teachers are exposed to various trainings conducted by CBSE and other associated Govt. Institutions and also to certain in-service training and workshops conducted by Regional Training centre of West Bengal Zone under the initiative and erudite guidance of DAV CAE, New Delhi in various subjects. Through such workshops they get an opportunity to develop command over their subject, communication skills, positive attitude and good interpersonal relationship for introducing best teaching learning practices in the class rooms for the amelioration of the students.

When nature has work to be done, she creates a genius to do it.
