Holidays' Homework

Class VI

ENGLISH

- Q1. Your school is organizing a book fair. Prepare a poster/advertisement for it.
Remember to include the date of the event, the venue, price of tickets, programmes organized and any other details that you consider necessary. Be as creative as possible. Use A3 size sheet to draw the poster.
- Q2 .Prepare a bio-sketch of your favourite musician and paste or sketch their picture alongside. Mention their career span, achievements, major works, awards and write why you like their music. You could look up the internet for more information to enhance your bio-sketch. Your bio-sketch should include:
- Name and age of the person
 - Main personality traits
 - Special interests
 - Education and training
 - Special contribution
 - Why people like him/her
- Write the bio-sketch on A4 size sheets.
- Q3. Prepare a word bank/word kit in a thin book by writing five words daily. Put date on each page. Write the part of speech of the word, its meaning , synonym and make a sentence of the same. Remember, each word should be of minimum 5 letters. You may draw or paste pictures related to the words to make your word bank attractive.
- Q4. Read newspaper daily. Paste two international, two national and two sports news of each day of your summer break in a scrap book.
Visit the following websites and have fun while you learn.

MATHEMATICS

Activity 1

Frequency of letters / words in a language

Objective: Analysis of a language text, using frequency table.

Description

1. Select any paragraph containing approximately 250 words from any source. e.g. newspaper, magazine, textbook, etc.

2. Read every word and obtain a frequency table for each letter of the alphabet as follows

Letter	Frequency
A	
B	
C	
D	
...	
...	
X	
Y	
Z	

3. Note down the number of two-letter words, three-letter words, so on and make a frequency table as follows

Number of words	Tally marks	Frequency
2 letters		
3 letters		
4 letters		
...		

4. Select 10 different words from the text which have frequency greater than 1. Give ranks 1, 2, 3... 10 in decreasing order of their frequency. Make the table as follows.(hint: the alphabet having the highest frequency will be ranked first)

Word	Rank	Frequency

5. Investigate the following

- a) Which is the most frequently occurring letter?
- b) Which is the least frequently occurring letter?
- c) Compare the frequency of vowels in ascending order.
- d) Which vowel is the most commonly used?
- e) Which vowel has the least frequency?

Activity 2

Mark all the states and Union Territories on the Political Outline Map of India.

COMPUTER

Draw and color the opening screen of Windows Explorer and label its components and paste it on a Pastel color sheet.
