Dear Parents,

As we near the end of the academic year 2021-22, on behalf of the School Management and the staff we sincerely appreciate and acknowledge, with gratitude, the support received from you for its smooth functioning.

During the course of the academic year the school received the support from the members of the PTA body and we wish to appreciate the efforts of the members in maintaining the decorum and quality environment of the school. Please be notified that the PTA has approved for a 15% fee hike w.e.f. April 2022 to be paid on quarterly basis.

You are requested to take a note of this and further support the school in all its endeavours. Look forward to fruitful academic year ahead.

Thanking you for your continued co-operation.

Principal
